

## CARE THAT FITS YOUR SITUATION

You will meet with a chemical dependency therapist, and together you can decide

*“My total experience with CDRP is wonderful. It is the reason I’m still here after six months.”*

what program fits your needs. If you are experiencing physical withdrawal, you will see a medical provider. You may be able to begin the program

the day you walk in. Our staff wants to help you succeed.

## CONFIDENTIALITY IS KEY

CDRP services are completely confidential. Information about your treatment will not be shared with anyone without your written permission.

*“You’re the best! Sober 5+ years!”*

*Actual quotes from recent CDRP Patient Satisfaction Surveys*

## CONVENIENT LOCATION

We are located approximately one mile from Kaiser Permanente’s Oakland Medical Center. Housed in a beautiful building in Old Downtown Oakland, we are close to BART, AC Transit, and parking. When you call for an appointment, we will provide directions.

If you are ready to recover, we can help.

# ARE YOU READY TO CHANGE YOUR LIFE?

Chemical Dependency Recovery Program

*“This program saved my life.”*

### IS DRINKING OR DRUG USE BEGINNING TO CONTROL YOUR LIFE?

Are you concerned that you or a loved one may have an alcohol or drug problem? You may have physical symptoms from drugs or alcohol use. You may be spending too much time or money trying to get prescription drugs, street drugs, or alcohol. Perhaps you've had problems with traffic accidents, DUIs, or even arrests. You may be worried about losing your job, or you may have already lost it. Are the people closest to you fed up? Do you feel ashamed, guilty, or judged?

*“Every staff (member) has shown an incredible amount of compassion, understanding, and encouragement. CDRP is helping me to save my life. Thank you.”*

### DO YOU WANT HELP?

Kaiser Permanente's Chemical Dependency Recovery Program (CDRP) helps people end addictions and change their lives. Our team of specialists can help you safely and comfortably stop drinking or using drugs. We offer full- and part-time programs to meet your needs. Our doctors, nurse practitioners, nurses, therapists, and support staff are dedicated to recovery from chemical dependency.

*“Wonderful, caring environment.”*

### START WITH A PHONE CALL

Call 510-251-0121 for an appointment. Most callers can be seen within two days. You do not need a referral from your doctor. Calling us or walking in the door is the biggest step you will take towards recovering your life.

### A SAFE PLACE WITH AN ARRAY OF SERVICES

The CDRP helps people from all walks of life who share a common goal: the wish to stop drinking and using drugs and be well again. Because we know that chemical dependency affects the whole family, we also offer information and support for partners and others concerned about a loved one's alcohol or drug use.
