APPOINTMENT INSTRUCTIONS FOR CHILDREN UNDER 6 YEARS OF AGE

Please arrive 15 minutes prior to this appointment to register with the front desk and bring the following:

1. Your child's Kaiser card
2. Your driver's license/CA ID card
3. And there may also be a fee associated with this visit depending on your type of coverage with Kaiser Health Plan.

We also highly recommend the following:

1. Both parents attend this appointment as well as your child.
2. You will want to bring snacks for your little one: cookies, crackers or juice is fine. (helping your child be comfortable and maintain the right energy level will optimize his/her participation in the tests.)
3. Also, you may want to bring a toy for your child so that he/she can play with while you are here for this visit.
4. And finally, please contact us right away if you need to cancel the appointment. We understand an emergency can come up in the last minute. We do ask that you contact our department directly should your child become sick. We will be glad to reschedule you. Our direct line is (408) 360-2350.

Thank you and we look forward to seeing you.
