

Arm yourself Against the flu.

Protect yourself with a free Seasonal Flu vaccination. Everyone should get a yearly flu vaccination, but it's especially important for:

- Children 6 months old to their 19th birthday.
- Anyone 50 or older.
- Anyone with a chronic health condition.
- Pregnant women.
- Health care workers.
- Anyone living with or caring for someone in any of these categories, or with a child under 6 months old.

Free flu vaccinations are available to Kaiser Permanente members only.

Campbell flu shot clinic is open in October.
