

KAISER PERMANENTE. thrive

## **Fresno Area Seasonal (Usual) & H1N1 Flu Clinics**

We are temporarily out of the H1N1 injectable vaccine. We have the H1N1 mist.

Additional H1N1 vaccine is expected from the state of California in the coming weeks. A specific date is not known.

If you would like the seasonal flu vaccination, or H1N1 mist, please go to your primary care provider's location. No appointment is necessary.

9 a.m. - Noon and 1:30 - 4:00 p.m.

Monday - Friday

\*\* May be a wait due to the number of members

### **H1N1 Mist**

To be given only to:

- Healthy people 2 to 18 years old.
- Healthy people 2 to 49 years old who care for babies younger than 6 months old.
- Health care workers who provide direct patient care.
- It cannot be given to pregnant women or people with chronic conditions or those older than 49 years old.

We will vaccinate Kaiser Permanente members who qualify.

We anticipate additional vaccination. Details will be put on the FLU HOTLINE. (#1-800-KP-FLU-11 or 1-800-573-5811)

**Please wear short sleeves and bring your Kaiser Permanente card and photo identification with you.**
