

## **PUBLICATIONS & RESEARCH**

- 2009                   **“The Importance of the First Ray”**  
Guest Editor *Clin Pod Med Surg. 2009 Jul;26(3)*
- 2009                   **“Procedure selection for hallux valgus”**  
Ford LA, Hamilton GA  
*Clin Pod Med Surg. 2009 Jul;26(3):395-407*
- 2009                   **“First metatarsophalangeal joint arthrodesis and revision arthrodesis”**  
Hamilton GA, Ford LA, Patel S  
*Clin Pod Med Surg. 2009 Jul;26(3):459-73*
- 2008                   **“The Effect of the Lapidus Arthrodesis on the Medial Longitudinal Arch: A Radiographic Review”**  
Avino A, Patel S, Hamilton GA, Ford LA  
*J Foot Ankle Surg 2008 Nov-Dec;47(6):510-14*
- 2008                   **“Rates of Revision Surgery using Chevron-Austin Osteotomy, Lapidus Arthrodesis, and Closing Base Wedge Osteotomy for Correction of Hallux Valgus Deformity”**  
Lagaay PM, Hamilton GA, Ford LA, Williams ME, Rush SM, Schuberth JM  
*J Foot Ankle Surg 2008 Jul-Aug;47(4):267-72*
- 2007                   **“Revision Lapidus Arthrodesis: Rate of Union in 17 Cases”**  
Hamilton GA, Mullins S, Schuberth JM, Rush SM, Ford L  
*J Foot Ankle Surg. 2007 Nov-Dec; 46(6):447-50*
- 2007                   **“Maintenance of Correction of First Metatarsal Closing base Wedge Osteotomies Versus Modified Lapidus Arthrodesis for Moderate to Severe Hallux Valgus Deformity”**  
Haas Z, Hamilton G, Sundstrom D, Ford L  
*J Foot Ankle Surg. 2007 Sep-Oct;46(5):358-65*
- 2006                   **“Fracture Dislocations of the Tarsometatarsal Joints: Analysis of Interrater Reliability in Using the Modified Hardcastle Classification”**  
Talarico RH, Hamilton GA, Ford LA, Rush SM  
*J Foot Ankle Surg. 2006 Sep-Oct;45(5):300-3*
- 2006                   **“Morbidity Associated with High Gastrocnemius Recession: Restrospective Review of 126 Cases”**  
Rush SM, Ford LA, Hamilton GA  
*J Foot Ankle Surg. 2006 May-Jun;45(3):156-60*
- 2006                   **“Mortality and Morbidity after Transmetatarsal Amputation: Retrospective Review of 101 Cases”**  
Pollard J, Hamilton GA, Rush SM, Ford LA  
*J Foot Ankle Surg. 2006 Mar-Apr;45(2):91-7*
- 2005                   **“Longitudinal Tear of the Tibialis Anterior Tendon”**  
Hamilton GA and Ford LA  
*J Am Podiatr Med Assoc. 2005 Jul-Aug;95(4):390-3*

- 2005                   **“Salvage of the Neuropathic Foot by Using Bone Resection and Tendon Balancing: A Retrospective Review of 10 Cases”**  
Hamilton GA, Ford LA, Perez H, Rush SM  
*J Foot Ankle Surg. 2005 Jan-Feb;44(1):37-43*
- 2004                   **“Pseudoaneurysm after Modified Lapidus Arthrodesis: A Case Report”**  
Hamilton GA, Ford LA, Cerraldi C  
*J Foot Ankle Surg. 2004 Sep-Oct; 43(5):318-20*
- 2004                   **“Second Metatarsophalangeal Joint Arthrography: A Cadaveric Correlation Study”**  
Blitz NM, Ford LA, Christensen JC  
*J Foot Ankle Surg. 2004 Jul-Aug; 43(4):231-40*
- 2004                   **“Plantar Plate Repair of the Second Metatarsophalangeal Joint: Technique and Tips”**  
Blitz NM, Ford LA, Christensen JC  
*J Foot Ankle Surg. 2004 Jul-Aug; 43(4):266-70*
- 2004                   **“Naviculocuneiform Arthrodesis”**  
Ford LA and Hamilton GA  
*Clin Podiatr Med Surg. 2004 (21):141-156*
- 2004                   **“Modified Lapidus Arthrodesis: Rate of Nonunion in 227 Cases”**  
Patel S, Ford LA, Etcheverry J, Rush SM, Hamilton GA  
*J Foot Ankle Surg. 2004 Jan-Feb;43(1):37-42*
- 2004                   **“Deltoid Ligament Integrity in Lateral Malleolar Fractures: A Comparative Analysis of Arthroscopic and Radiographic Assessments”**  
Schuberth JM, Collman DR, Rush SM, Ford LA  
*J Foot Ankle Surg. 2004 Jan-Feb;43(1):20-9*
- 2004                   **“Metatarsalgia: Is the Plantar Plate Important?”**  
Lawrence A. Ford, DPM  
*Podiatry Today, January 2004*
- 2003                   **“Elective Indications and Techniques of External Fixation in the Midfoot”**  
Graham A. Hamilton, DPM and Lawrence A. Ford, DPM  
*Clinics in Podiatric Medicine and Surgery 20:1, 45-63, 2003*
- 1998                   **“Stabilization of the Subluxed Second Metatarsophalangeal Joint: Flexor Tendon Transfer versus Primary Repair of the Plantar Plate”**  
Lawrence A. Ford, DPM, Jeffrey C. Christensen, DPM,  
& Karl B. Collins, DPM  
*Journal of Foot & Ankle Surgery 37:217-222, 1998.*
